

EURO CAMP '11

SCOUTS[®]

Creating a Better World

EuroCamp 2011

We hereby have the pleasure of inviting you and your fellow scout friends to **EuroCamp 2011**, an international scout camp for seniors, rovers and leaders, male and female, from all over Europe.

It is the 5th time EuroCamp is held and it takes place on a former golf course surrounded by scenic woodlands in the middle of Esbjerg, the 5th biggest city in Denmark, from 16th to 29th of July 2011. This central location gives you the opportunity to explore the port and meet the locals.

EuroCamp is all about international fellowship, which means that it is important for us to build bridges between nationalities. We intend to do this by offering exciting activities, where it is possible to attend as a group or on your own, whereby you can interact with new people.

Activities

We offer a wealth of activities, on a daily basis; some are located on the campsite others are in the city or surrounding area. A free camp bus will bring participants back and forth. The activities range from normal scouting activities to once in a lifetime experiences. We offer some activities daily during the period of the camp like: pioneering, swimming, badminton (sports centre), fishing, climbing and visits to Esbjerg city and its museums, e.g. Fiskeri og Søfartsmuseet where you can get close to seals and see the fishing history of the city.

Other activities are placed on certain days e.g. hiking, bikehiking, canoesailing/hiking, excursions to Ribe and Blåvand and so on. Besides this we give you the opportunity to experience the unique tidal area (The Wadden Sea) and the islands residing therein. On the camp site we offer 2 workshops where you can get creative with a local artist or make your own knife, sword or spear in the forge, or both.

EuroCamp comprises both cultural, historical, athletic and scouting experiences, so there should be something for everyone. If we have not caught your attention yet keep an eye on our homepage www.eurocamp-esbjerg.dk where even more activities will be continuously posted.

The campsite

On the warm summer evenings of EuroCamp it will be possible to enjoy yourself in companion with your new friends in our international café where local artists, bands and maybe even YOU will contribute to the entertainment. International campfires will be held at our big stage.

On the camp site there will be toilets, hot showers, refrigerators, wireless internet, a charge station for cell phones, cameras etc., camp bikes, a climbing tower, poleclimbing and a beach volleyball field where tournaments will be held. For your safety, service and other practical considerations, the camp site contains a 24-hour INFO shack, here you can also keep track of all the activities you would like to try during the camp.

Participants

EuroCamp 2011 is for seniors, rovers and leaders, male and female, and to ensure you the ultimate experience and service from the staff, we have chosen to have a limit of 400 participants on this EuroCamp, so make sure to sign up now rather than later.

We expect all participants to be able to take care of themselves and participate individually in the activities. Participants must therefore be born in 1997 or before.

Equipment

You should bring your normal camping equipment including cooking facilities e.g. gas. From your interests we recommend you to bring suitable equipment, e.g. indoor sports shoes, swimsuit, rackets and alike.

Language

In EuroCamp most of the staff understand and speak English and German. All information during the camp will be available in English, German and Danish.

General information

EuroCamp 2011 takes place in Esbjerg, Denmark, from the 16th to 29th of July 2011. Whether you wish to stay one or all 13 camp days is up to you.

Registration

As soon as you decide that this is a camp you cannot miss, go to the website www.eurocamp-esbjerg.dk and sign up. Here you will get to choose your specific camp site and until the 1st of March 2011 it will be possible to change this and the final number of participants coming from your group.

Camp fee

The camp fee is 15€ per participant per day. This price includes camp site and all activities posted by the staff. By your request the staff can help plan special activities or excursions but these are not included in the price, along with transport to and from the camp. You should also be aware that you will have to be self-sufficient, but a discount supermarket resides only 300 meters from the camp site.

Payment

The total camp fee for the participants of your group can be paid on 1st of March, where your registration becomes final, or in 3 instalments, where the first is paid on the day of final registration, the second on 1st of May and the third on the arrival day. We recommend you to make payments with internet banking and bring a receipt for payment of the final instalment at arrival.

Payments should be made for:

Poul Hørby
Umanakvej 72
6715 Esbjerg N, DK

Bankkonto: Sydbank, Esbjerg Nr. 7701 - 1672193

IBAN-nummer: DK1177010001672193

BIC-adresse (SWIFT-adresse) SYBKDK22

Please remember to write your group and name on the payment.

Come visit Esbjerg, Denmark

and make EuroCamp'11 your second home for the summer
